Northern Stone Supply, Inc.  
P.O. Box 4249  
Oakley, ID 83346

Dear Mr. Mallard:

This letter is in regard to the Red Hill #1 Project (BLM file UTU-72219, DOGM S/001/028), for which we list yourself as the responsible operator of record. The project was located within portions of the E $\frac{1}{2}$ NE $\frac{1}{4}$  of section 20, T. 30 S., R. 14 W., Beaver County, and involved the selective surface extraction of a liesegang-banded, altered volcanic rock for sale as decorative stone.

You recently informed me that the disturbances associated with this project had been reclaimed and that the project could be closed out. The project area was inspected on April 20, 2001 and the necessary reclamation work for site release was found to be satisfactory. Accordingly, your reclamation liability for this project is terminated and we are closing out this project notice effective immediately.

If you have any questions, feel free to call me at (435) 865-3040.

Sincerely,

Ed Ginouves  
Mining Engineer
